EXPERIENCE

Teaching Assistant

Carnegie Mellon University, Pittsburgh, PA | 2022 - Present

- Architecture Design Studio: Praxis Studio II Spring 2025
- Environmental Systems: Climate & Energy in Buildings Fall 2024
- Design Ethics and Social Justice in Architecture Fall 2022, Fall 2023
- First Year Architecture Seminar Fall, Spring 2022

Architectural Shadowship

Studio 1200, Millburn, NJ | July 2023

Reviewed the firm's design process on recent projects from schematic design to construction documents. Experienced design meetings between principals and architects. Assisted with various tasks in their materials library.

Architectural Intern

PEI Architects, New York, NY | May 2022 - August 2022

Assisted principals with marketing efforts relating from design to communications. Worked on qualification packages, redesigned project and data sheets, updated project lists, and assisted with award submissions. Grew online platform through social media posts and updating firm pages on architecture platforms.

ACTIVITIES

Outreach And Public Relations Director

American Institute of Architecture Students Carnegie Mellon Chapter | Present

Leading outreach and PR efforts to increase club visibility and engagement within the school. Executing communication strategies, including crafting newsletters, social media content. Worked as Conference Chair to plan 2024 Northeast Quad Conference.

Membership Committee Member

American Institute of Architecture Students National Chapter | Present

Creating opportunities for members to connect by developing content and programming to explain the value of membership.

Booth Director

Spring Carnival Committee, Carnegie Mellon | Present

Overseeing multiple organizations as they plan and execute multistory structures (booths) as one of the biggest showpieces of Carnegie Mellon's Spring Carnival. Regularly reviewing and providing feedback on plans and schematics.

AWARDS

Minority Architects of Pittsburgh Scholarship MAPS - 2024, 2023

Sisterhood Scholarship Kappa Alpha Theta Foundation - 2022

Scholastic Silver Key & Honorable Mention Alliance for Young Artists - 2021

ABOUT

My interest and inspirations are driven by sustainability in architecture as well as the responsibility architects have to incorporate a sense of care at every point in the design process.
