## **Education:**

### **Masters of architecture (MArch)**

**Aug 2024 – June 2026**

School of architecture, Carnegie Mellon University, USA

**Coursework:** Architecture design studio (PRAXIS), Environmental design, Computational design, History of architecture, digital fabrication, Theories of architecture, Architecture research, Generative modeling

### **Graduate Diploma in Environmental Planning and Design**

**Sep 2016 – June 2018**

Faculty of Engineering, Zagazig University, Egypt

**Coursework:** Engineering Computational Methods, Advanced Engineering Mathematics, Natural and Artificial Lighting, Environment Planning & Design History, Applied Research in Environment Planning & Design, Environmental Impact Assessment, Architecture of Arid Zones.

### **Bachelor of Architecture Engineering**

Faculty of Engineering, Benha University, Egypt

**Sep 2008 – June 2013**

**Coursework:** Architectural Design, Interior Design, Urban Principles, Urban Design, Mathematics, Physics, Planning of Residential Areas, Materials Testing, Steel Structure, Graphic and Visual Studies, Mechanical & Technical Installations, Renewable Energy in Buildings, Applied Research.

## **Professional Experience:**

### **Head of Architecture Design Department**

**January 2022 – July 2024**

Arkaan Designs Firm, Saudi Arabia

### **Senior Architect**

**Feb 2020 – Dec 2021**

Chema Group (CG), Egypt

### **Junior/Senior Architect**

**Mar 2017 – Feb 2020**

Design and Build Consultancy, Egypt

### **Junior Architecture Designer**

**Jan 2015 – Feb 2017**

Distance Studio Consultants, Egypt

### **Trainee Architect**

**Mar 2013 - Jan 2014**

Al Etihad Consultants, Egypt

## **Professional Associations:**

- Egyptian Engineers Syndicate (2014)
- Society of Egyptian Architects (2015)
- Saudi Council of Engineers (2022)

## **Software Competencies:**

Autodesk AutoCAD, Lumion, Rhino, grasshopper, Keyshot, Paracloud, Google SketchUp, Autodesk Revit, Adobe Photoshop, Autodesk 3ds MAX + Vray, Unreal Engine.

## **Notable Projects:**

Qatar International Islamic Bank Headquarters, Al AMIN Hotel in Mecca, Al khobar mall Design and Ezbet Community Development.

## **Languages:**

Arabic (Native)

English (Professional Efficiency - IELTS 7)
